If you are unable to contact us by dialing 2-1-1, or are calling from out of state, please call us directly at 1-877-211-MASS (6277).

Dial 2-1-1 for community services.

The #1 health, human service and disaster public information line in Massachusetts.

When you dial 2-1-1, you will be connected to a trained professional, who can provide information and referrals for health and human services, including:

- **Basic human needs:** food banks, shelters, rent or utility assistance
- **Physical and mental health resources:** Medicaid, Medicare, pre-natal care, children's health insurance programs, crisis intervention, support groups, counseling, alcohol and drug programs
- **Work initiatives:** educational and vocational training programs, English as a second language classes, job training, General Educational Development (GED) preparation, financial and transportation assistance
- **Support for children, youth and families:** After-school programs, tutoring, mentorship programs, family resource centers, protective services, counseling, early childhood learning programs, child care referral centers, and recreation
- **Support for seniors** and those with medical, respite care, home health care, transportation and those with disabilities.

Trusted Partnerships

The **Massachusetts Emergency Management Agency** has designated Mass 2-1-1 as the Commonwealth's primary telephone information center during times of emergency. Working with local and state emergency management and disaster response officials, Mass2-1-1 provides accurate and up-to-date information on local, regional and statewide emergency response and recovery.

The **Mass 2-1-1 Child Care Information and Referral Line** is the trusted partner of the **Massachusetts Department of Early Education and Care (EEC)**. Mass 2-1-1 Child Care Information and Referral Line provides information about and referrals to licensed family child care homes and child care centers and community supports for children, youth and families.

The **Massachusetts Department of Public Health** has relied on Mass 2-1-1 to provide public information related to large scale public health issues such as H1N1 and aerial spraying for mosquito-borne virus control.
